Bold by design

Engineered for those who know exactly where they are going. The second generation T-Roc balances striking design with absolute practicality. Merging intuitive next-generation technology with dynamic agility, this progressive crossover brings a refined edge to every drive.

Whatever road you're on, the new T-Roc offers the perfect harmony of responsive power, expanded cabin space, and seamless connectivity. A bold step forward, designed for the reality of your everyday life.

A confident stance

A confident stance

Boldly sculpted with expanded dimensions, the new T-Roc makes its presence known. Featuring an illuminated front light bar, sharper matrix LED headlights, and a longer, coupe-like silhouette, its refreshed exterior seamlessly pairs athletic poise with head-turning confidence.

Premium practicality

The scaled-up footprint unlocks a more spacious, lounge-style cabin, offering generous rear legroom and up to 1,350 litres (with the rear seats folded down) of adaptable loading space. Complete with premium soft-touch materials and customisable ambient lighting, it creates an expressive, comfortable sanctuary. Finished with supportive front comfort seats and intuitive functionality, it ensures premium design seamlessly handles the demands of everyday life.

IQ.DRIVE for seamless assistance

Advanced safety that quietly works in the background. The new T-Roc's optional IQ.DRIVE suite is designed to anticipate the road ahead, featuring enhanced pedestrian and cyclist monitoring alongside Park Assist and automatic high-beam control. Paired with Adaptive Cruise Control to manage the flow of traffic, it confidently handles the more demanding aspects of driving. Its intuitive technology is designed to give you peace of mind as you drive.

For a more enhanced driving experience, the optional IQ.DRIVE Assistance Systems package covers even more features. Inside, the Multi-colour Digital Cockpit Pro transforms your dashboard into a highly customisable digital display. Advanced safety steps up with Travel Assist for relaxed long-distance driving, while features like Side Assist, Rear Traffic Alert, and Area View work together to offer a new level of visibility.

Immersive sound plus intuitive control

The infotainment package offers a central 33cm touchscreen that acts as your hub for navigation and media, while wireless integration lets you instantly access your favourite apps without cable clutter. Whether streaming music or podcasts, audio is delivered through a six-speaker system, ensuring rich acoustics throughout the cabin. Add in four fast-charging 45W USB-C ports conveniently located across the front and rear, ensuring everyone's devices stay fully charged from start to finish.

Dynamic clarity

Select the IQ.LIGHT package to illuminate your evening drives with more confidence. Featuring advanced IQ.LIGHT LED Matrix headlamps elegantly connected by signature front and rear light bars, illuminated front and rear logos, and dynamic 3D rear lamps; it's able to intelligently adapt to every environment.

Actively guiding you through dark bends while preventing glare for oncoming traffic, it delivers reassuring clarity when you need it most.

Wheels & Rims

Choose from 7 rim options.

16" "wheels 7J x 16
(Standard on Life)

**"Lima" 7J x 17, Black,
diamond-turned**
(Optional on Life)

**18" "Coventry Alloy
Black diamond-turned**
(Standard on R-line Plus
and R-Line Black style)

**18" "York Aero"
8J x 19, Black diamond-
turned/Black**
(Optional on R-line)

**"York Aero" 8J x 19, Black,
Matte Gray insert**
(Standard on R-Line Black
Style)

Colours and paint finishes

*The illustrations on this page can only be regarded as a general guide as digital rendering is unable to fully express the depth and brilliance of the paint finishes with definite accuracy.

Striking design deserves a finish to match. Whether you prefer the sleek understatement of a monochromatic palette or want to add a personal edge with our signature two-tone roof combinations, the T-Roc gives you the freedom to make it entirely your own.

Solid paint finishes - Design

Pure White

Metallic paint finishes - Design
